WHAT IS THE BULLBAG?

The BULLBAG is the **ONLY** reusable foldable dumpster bag for home and job-site cleanup.

- * Lightweight, simple to use and easy to store
- * Holds up to 4,500 LBS (2 1/4 tons)
- * Can be used wherever a dumpster would be used
- * Can be filled with any non-toxic materials including, building materials, metal, broken toys, brush and more
- * Never overweight fees, fuel surcharges or rental costs!

HOW DOES THE BULLBAG WORK?

1

Purchase the BULLBAG from your local retailer.

2

Unfold the BULLBAG, insert large poles vertically in corner pockets, top to bottom; insert small poles in pockets around top from corner to corner, left to right.

3

Move your BULLBAG to a location within 18 ft from truck access point (not under trees or wires - truck requires 20 ft height clearance and 12 foot wide driveway).

4

Fill your BULLBAG with any home remodeling, construction and clean out debris.¹

Masonry, roofing, dirt, tires, mattresses/boxsprings and some electronics may result in an additional charge. Please check the website or call prior to filling.

5

Ready to have it emptied?
Call 866-414-BULL (2855), or go to www.thebullbag.com to enter your order for pickup. Pay only for the height you fill to! You don't even have to be present for pickup!

6

Driver will reset your BULLBAG back up, or you may request to have it folded for easy storage and future use.
